TUSCANY Tourist Package MARSH OF FUCECCHIO

Guided Tours of Spring 2010 and others natural environments

Guided tours in spring of the “Padule di Fucecchio” (The Fucecchio Marches Nature Reserve) surrounded by unspoilt Tuscan nature. The Padule di Fucecchio is the largest inland marsh of Italy, known for its historic, artistic, and natural elements. Visitors are accompanied by a Professional Guide. It's possible to discover rare wetland and observe more than 200 kinds of birds during spring. Take advantage of our special rates and book now!

The Package includes:

- ✓ 2 nights in a Double/Twin Room with potential to add an extra bed or a bunk bed in the room;
- ✓ cold buffet breakfast in the morning;
- ✓ visit to the Padule di Fucecchio accompanied by a Professional Guide (ref. Local Law - L.R. 14/2005).
Read the days and times of the visits on page n.2;
- ✓ dinner – beverages not included - in a typical restaurant of the Lamporecchio/Vinci area;

Reservation to be made before Friday prior to the date of the visit. Booking is subject to availability.
Guided tours can be booked on other dates for a group with a minimum of 20 people.

Package Rate per room: 180€ in Double/Twin Room, 200€ in Double/Twin Superior, 250€ in Triple. Discount rates for children. Rates include that written in “the Package includes” above.

Notes: We advise to wear hardy clothes, hat, and gum boots. Take your own car to go to the meeting point.
In case of heavy rain, it's possible the visit may be postponed or cancelled.
